- **Stewardship**

Genesis 1:1 – “In the beginning, God created the heavens and the earth.” Many studies report that atheism is on the rise in our culture. The appeal of atheism is in the denial of a Creator. If the world just happens to exist – and if we are just accidents that arose out of a long process of random, directionless evolution – then we get to make our own rules, and nobody has any right to tell us otherwise. Since there is indeed a Creator, though, then obviously He knows best, and we try our best to follow His commands. Christians know this Creator very well, and we have seen not only His power and commands but also His grace and mercy in His Son, our Lord Jesus Christ.

- **Converts to Lutheranism Series**

Issues, Etc. is a radio talk show and podcast produced by Lutheran Public Radio in Collinsville, IL and hosted by LCMS Pastor Todd Wilken. This week we’ll be hearing stories from guests who are adult converts to Lutheranism. You can listen on-demand at issuesetc.org, the LPR mobile app and your favorite podcast provider.
